

doris::vectorized::  
VScanNode::release\_resource

```
graph LR; A["doris::vectorized::  
VScanNode::release_resource"] --> B["consumer_close"]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'doris::vectorized::' on the first line and 'VScanNode::release\_resource' on the second line. The right box is gray with a black border and contains the text 'consumer\_close'. A blue arrow points from the right side of the left box to the left side of the right box.

consumer\_close
