

doris::FragmentExecState
::prepare

```
graph LR; A["doris::FragmentExecState  
::prepare"] --> B["prepare"]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'doris::FragmentExecState' on the top line and '::prepare' on the bottom line. The right box is gray with a black border and contains the text 'prepare'. A blue arrow points from the right side of the left box to the left side of the right box.

prepare
