

`operator()`

```
graph LR; A[operator()] --> B[scoped_refptr::get]
```

A diagram showing a relationship between two code elements. On the left, a gray rectangular box contains the text `operator()`. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `scoped_refptr::get`. Both boxes have a thin black border.

`scoped_refptr::get`
