The diagram illustrates a header file inclusion relationship. At the top is a gray box representing the header file `/Users/dabowang/doris/be/src/olap/rowset/segment_v2/column_writer.h`. Below it are two white boxes representing source files. A blue arrow points from the left source file, `/Users/dabowang/doris/be/src/olap/rowset/segment_v2/column_writer.cpp`, to the header file. Another blue arrow points from the right source file, `/Users/dabowang/doris/be/src/olap/rowset/segment_v2/segment_writer.cpp`, to the same header file.
