

new_iterator

```
graph LR; A[new_iterator] --> B[doris::Status::OK]; B --> C[doris::Status::Status];
```

The diagram illustrates a sequence of three rectangular boxes connected by blue arrows. The first box, labeled 'new_iterator', has a gray background. A blue arrow points from its right side to the second box, labeled 'doris::Status::OK', which has a white background. Another blue arrow points from the right side of the second box to the third box, labeled 'doris::Status::Status', which also has a white background. All boxes have a thin black border.

doris::Status::OK

doris::Status::Status
