

doris::FragmentExecState
::prepare

```
graph LR; A[doris::FragmentExecState::prepare] --> B[prepare]; B --> C[row_desc];
```

A flowchart with three rectangular boxes connected by blue arrows. The first box on the left contains the text 'doris::FragmentExecState' on the top line and '::prepare' on the bottom line. A blue arrow points from the right side of this box to the left side of the second box. The second box in the middle contains the text 'prepare'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box on the right contains the text 'row_desc' and has a gray background fill.
