

send

```
graph LR; send[send] --> channel_add_rows[channel_add_rows]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'send'. The right box is gray with a black border and contains the text 'channel_add_rows'. The arrow points from the right side of the 'send' box to the left side of the 'channel_add_rows' box.

channel_add_rows
