

doris::FragmentExecState
::execute

~PlanFragmentExecutor

close

```
graph LR; A[doris::FragmentExecState::execute] --> C[close]; B[~PlanFragmentExecutor] --> C;
```

The diagram illustrates a control flow or dependency. On the left, there are two rectangular boxes. The top box contains the text 'doris::FragmentExecState::execute'. The bottom box contains the text '~PlanFragmentExecutor'. Two blue arrows originate from the right side of these boxes. The arrow from the top box points to the top of a gray rectangular box on the right. The arrow from the bottom box points to the bottom of the same gray box. The gray box contains the text 'close'.
