

`_get_size`

```
graph LR; A["_get_size"] --> B["doris::vectorized::  
Block::rows"]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text `_get_size`. A blue arrow points from this box to a white rectangular box on the right. The white box contains the text `doris::vectorized::` on the top line and `Block::rows` on the bottom line.

`doris::vectorized::`
`Block::rows`
