

need_flush

```
graph LR; A[need_flush] --> B[memory_usage]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'need_flush'. The right box is white with a dark gray border and contains the text 'memory_usage'. The blue arrow points from the right side of the first box to the left side of the second box.

memory_usage
