

doris::BackendService
::get_next

```
graph LR; A[doris::BackendService::get_next] --> B[fetch_result]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'doris::BackendService' on the top line and '::get_next' on the bottom line. The right box is gray with a black border and contains the text 'fetch_result'. A blue arrow points from the right side of the left box to the left side of the right box.

fetch_result
