

evaluate

```
graph LR; A[evaluate] --> B[doris::Status::OK]; B --> C[doris::Status::Status];
```

A flow diagram consisting of three rectangular boxes connected by blue arrows. The first box on the left is gray and contains the text 'evaluate'. A blue arrow points from its right side to the second box, which is white and contains the text 'doris::Status::OK'. Another blue arrow points from the right side of the second box to the third box, which is also white and contains the text 'doris::Status::Status'. All boxes have a thin black border.

doris::Status::OK

doris::Status::Status
