

```
doris::vectorized::  
MemoryScratchSink::prepare
```

```
graph LR; A["doris::vectorized::  
MemoryScratchSink::prepare"] --> B["create_queue"]
```

A diagram showing a call from the function `doris::vectorized::MemoryScratchSink::prepare` to the function `create_queue`. The first box is white with a black border, and the second box is gray with a black border. A blue arrow points from the right side of the first box to the left side of the second box.

```
create_queue
```
