

\_\_math\_xflow

```
graph LR; A[__math_xflow] --> B[eval_as_double]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text `__math_xflow`. A blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right. This second box contains the text `eval_as_double`.

eval\_as\_double
