

```
doris::BackendService  
::get_stream_load_record
```

```
graph LR; A["doris::BackendService  
::get_stream_load_record"] --> B["parse_stream_load_record"]
```

A diagram showing a call from `doris::BackendService::get_stream_load_record` to `parse_stream_load_record`. The first box is white with a black border, and the second box is gray with a black border. A blue arrow points from the first box to the second box.

```
parse_stream_load_record
```
