

```
doris::vectorized::  
ColumnChunkReader::skip  
_values
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the C++ code snippet 'doris::vectorized::ColumnChunkReader::skip_values'. The right box is gray with a black border and contains the text 'skip_values'. A blue arrow points from the right side of the left box to the left side of the right box, indicating a mapping or relationship between the method and the variable.
