

```
doris::segment_v2::  
SegmentWriter::init
```

```
graph LR; A["doris::segment_v2::  
SegmentWriter::init"] --> B["create"]; B --> B;
```

The diagram illustrates a sequence of operations. On the left, a white rectangular box with a black border contains the text `doris::segment_v2::SegmentWriter::init`. A solid blue arrow points from the right side of this box to a gray rectangular box on the right. This gray box contains the text `create`. A curved blue arrow originates from the top-right corner of the gray box and points back to its top-left corner, indicating a self-loop or a return path.

`create`
