

doris::Rowset::close

```
graph LR; A[doris::Rowset::close] --> B[on_close]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'doris::Rowset::close'. The right box is gray with a black border and contains the text 'on_close'. A blue arrow points from the right side of the left box to the left side of the right box.

on_close
