

build_merge_tree

```
graph LR; A[build_merge_tree] --> B[_build_merge_tree_not_spilled]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'build_merge_tree'. The right box is gray with a black border and contains the text '_build_merge_tree_not_spilled' on two lines. A blue arrow points from the right side of the first box to the left side of the second box.
