

merge

```
graph LR; A[merge] --> B[doris::Status::OK]; B --> C[doris::Status::Status];
```

A flow diagram consisting of three rectangular boxes connected by blue arrows. The first box on the left is shaded gray and contains the text 'merge'. A blue arrow points from this box to a second, white box in the middle containing 'doris::Status::OK'. Another blue arrow points from the second box to a third, white box on the right containing 'doris::Status::Status'. All boxes have a thin black border.

doris::Status::OK

doris::Status::Status
