

operator>

```
graph LR; A[operator>] --> B[to_int64_datetime_packed]; B --> C[make_packed_time];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'operator>'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'to_int64_datetime_packed'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'make_packed_time'.

to_int64_datetime_packed

make_packed_time
