

clear

```
graph LR; A[clear] --> B[doris::HistogramStat::clear];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is gray and contains the text 'clear'. The right box is white with a black border and contains the text 'doris::HistogramStat' on the top line and '::clear' on the bottom line. A blue arrow points from the right side of the gray box to the left side of the white box.

doris::HistogramStat
::clear
