

loose_enum_cast

```
graph LR; A[loose_enum_cast] --> B["base::internal::WarnEnumCastError"]
```

A diagram showing a relationship between two identifiers. On the left, a gray rectangular box contains the text 'loose_enum_cast'. A blue arrow points from this box to a white rectangular box on the right. The white box contains the text 'base::internal::WarnEnum' on the top line and 'CastError' on the bottom line.

base::internal::WarnEnum
CastError
