

`_get_block_impl`

```
graph LR; A["_get_block_impl"] --> B["_fill_missing_columns"]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text `_get_block_impl`. The right box is gray with a black border and contains the text `_fill_missing_columns`. A blue arrow points from the right side of the first box to the left side of the second box.
