

add

```
graph LR; A[add] --> B["doris::vectorized::  
ColumnVector::get_float64"]
```

The diagram consists of a gray rectangular box on the left containing the text 'add'. A blue arrow points from the right side of this box to a larger white rectangular box on the right. This second box has a black border and contains two lines of text: 'doris::vectorized::' on the top line and 'ColumnVector::get_float64' on the bottom line.

doris::vectorized::
ColumnVector::get_float64
