

```
Helper::write_to< std  
::string >
```

```
graph LR; A[Helper::write_to< std::string >] --> B[memcpy]; B --> C[inline_memcpy];
```

A horizontal flow diagram with three rectangular boxes. The first box on the left is shaded gray and contains the C++ code `Helper::write_to< std::string >`. A blue arrow points from this box to a second, white box in the middle containing `memcpy`. Another blue arrow points from the second box to a third, white box on the right containing `inline_memcpy`. All boxes have a thin black border.

`memcpy`

`inline_memcpy`
