The diagram illustrates a dependency or call relationship. Two source boxes on the left, both labeled 'doris::BetaRowset::', point via blue arrows to a single target box on the right labeled 'set\_cache\_path'. The top source box contains the text 'check\_current\_rowset' followed by a line break and '\_segment'. The bottom source box contains the text 'load\_segments'. The target box is shaded gray, while the source boxes are white with black borders.
