

update\_indexes\_from  
\_thrift

```
graph LR; A[update_indexes_from_thrift] --> B[indexes]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'update\_indexes\_from' on the top line and '\_thrift' on the bottom line. A blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the text 'indexes'.
