

register_function_in

```
graph LR; A[register_function_in] --> B["doris::vectorized::SimpleFunctionFactory::register_function"]
```

A diagram illustrating a function registration process. On the left, a gray rectangular box contains the text 'register_function_in'. A blue arrow points from this box to a larger white rectangular box on the right. The white box contains the text 'doris::vectorized::SimpleFunctionFactory::register_function'.

doris::vectorized::
SimpleFunctionFactory
