

check_correctness

```
graph LR; A[check_correctness] --> B[doris::Status::OK]; B --> C[doris::Status::Status];
```

A flow diagram consisting of three rectangular boxes connected by blue arrows. The first box on the left is shaded gray and contains the text 'check_correctness'. A blue arrow points from its right side to the second box, which is white with a black border and contains 'doris::Status::OK'. Another blue arrow points from the right side of the second box to the third box, which is also white with a black border and contains 'doris::Status::Status'.

doris::Status::OK

doris::Status::Status
