

get\_host\_port

```
graph LR; A[get_host_port] --> B[doris::BackendOptions::get_localhost]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is gray and contains the text 'get\_host\_port'. The right box is white with a black border and contains the text 'doris::BackendOptions' on the top line and '::get\_localhost' on the bottom line.

doris::BackendOptions  
::get\_localhost
