

```
doris_udf::StringVal  
::append
```

```
graph LR; A["doris_udf::StringVal  
::append"] --> B[reallocate]
```

A diagram illustrating a memory management operation. On the left, a white rectangular box with a black border contains the text `doris_udf::StringVal` on the top line and `::append` on the bottom line. A blue arrow points from the right side of this box to a gray rectangular box on the right. The gray box contains the text `reallocate`.

`reallocate`
