

`_skip_values`

```
graph LR; A[_skip_values] --> B[doris::Status::OK]; B --> C[doris::Status::Status];
```

The diagram illustrates a three-step flow. It begins with a gray rectangular box containing the text `_skip_values`. A blue arrow points from this box to a white rectangular box containing the text `doris::Status::OK`. A second blue arrow points from this box to a final white rectangular box containing the text `doris::Status::Status`. All boxes have a thin black border.

`doris::Status::OK`

`doris::Status::Status`
