

/Users/dabowang/be  
\_all/glibc-compatibility  
/musl/lgamma.c

```
graph TD; A["/Users/dabowang/be_all/glibc-compatibility/musl/lgamma.c"] --> B["stdint.h"]; A --> C["math.h"]
```

The diagram illustrates a file path at the top, which then branches into two arrows pointing to two separate header files below. The top box is dark gray, while the bottom boxes are light gray. The arrows are blue.

stdint.h

math.h
