

start

```
graph LR; start --> func["_update_tablet_meta  
_worker_thread_callback"]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text 'start'. A blue arrow points from the right side of this box to the left side of a second, larger box on the right. This second box is gray with a black border and contains two lines of text: '_update_tablet_meta' and '_worker_thread_callback'.

_update_tablet_meta
_worker_thread_callback
