VSortNode::alloc\_resource

open

```
graph LR; A["doris::vectorized::VExchangeNode::alloc_resource"] --> C[open]; B["doris::vectorized::VSortNode::alloc_resource"] --> C;
```

The diagram illustrates a state transition or action. On the left, there are two rectangular boxes. The top box contains the text 'doris::vectorized::VExchangeNode::alloc\_resource'. The bottom box contains the text 'doris::vectorized::VSortNode::alloc\_resource'. On the right, there is a smaller, gray rectangular box labeled 'open'. Two blue arrows originate from the right side of the top box and the right side of the bottom box, both pointing towards the 'open' box.
