

```
doris::stream_load  
::VOlapTableSink::prepare
```

```
graph LR; A["doris::stream_load  
::VOlapTableSink::prepare"] --> B["get_partitions"]
```

A diagram showing a call from the `doris::stream_load::VOlapTableSink::prepare` function to the `get_partitions` function. The first box is white with a black border, and the second box is gray with a black border. A blue arrow points from the first box to the second box.

```
get_partitions
```
