

SystemMetrics

update

_update_load_avg_metrics

```
graph LR; A[SystemMetrics] --> B[update]; B --> C[_update_load_avg_metrics];
```

The diagram illustrates a three-step process flow. It begins with a box labeled 'SystemMetrics', followed by an arrow pointing to a box labeled 'update'. A second arrow then points from 'update' to a final box labeled '_update_load_avg_metrics'. The final box is shaded gray, while the others are white.
