

start

```
graph LR; start[start] --> func["_report_disk_state  
_worker_thread_callback"]
```

The diagram consists of a white rectangular box on the left containing the word 'start'. A blue arrow points from the right side of this box to a larger, gray rectangular box on the right. The gray box contains two lines of text: '_report_disk_state' and '_worker_thread_callback'.

_report_disk_state
_worker_thread_callback
