

read_line

```
graph LR; A[read_line] --> B[update_field_pos_and_find_line_delimiter]
```

A flowchart with two rectangular boxes. The first box on the left is white with a black border and contains the text 'read_line'. A blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains the text 'update_field_pos_and_find_line_delimiter'.
