

doris::QueryStatistics  
::merge

```
graph LR; A[doris::QueryStatistics::merge] --> B[merge]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'doris::QueryStatistics' on the top line and '::merge' on the bottom line. The right box is gray with a black border and contains the text 'merge'.
