

write_vec_column

```
graph LR; A[write_vec_column] --> B[unescape_string_on_spot]
```

A diagram showing a call from the function `write_vec_column` to the function `unescape_string_on_spot`. The first box is white with a black border, and the second box is gray with a black border. A blue arrow points from the right side of the first box to the left side of the second box.

unescape_string_on_spot
