

```
doris::vectorized::  
VCollectIterator::LevelIterator  
Comparator::operator()
```

```
graph LR; A["doris::vectorized::  
VCollectIterator::LevelIterator  
Comparator::operator()"] --> B[compare]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains three lines of C++ code: `doris::vectorized::`, `VCollectIterator::LevelIterator`, and `Comparator::operator()`. The right box is gray with a black border and contains the word `compare`. A blue arrow points from the right side of the left box to the left side of the right box.

`compare`
