

/Users/dabowang/doris
/be/src/http/action/restore
_tablet_action.h

```
graph BT; A["/Users/dabowang/doris  
/be/src/http/action/restore  
_tablet_action.h"] --> B["/Users/dabowang/doris  
/be/src/http/action/restore  
_tablet_action.cpp"]; A --> C["/Users/dabowang/doris  
/be/src/service/http  
_service.cpp"];
```

The diagram illustrates a header file inclusion relationship. A central gray box at the top represents the header file `_tablet_action.h`. Two white boxes at the bottom represent source files that include this header. A blue arrow points from the left source file to the header, and another blue arrow points from the right source file to the header.
