

allocate\_zone\_map\_value

```
graph LR; A[allocate_zone_map_value] --> B[doris::MemPool::allocate]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'allocate\_zone\_map\_value'. The right box is white with a black border and contains the text 'doris::MemPool::allocate'. The arrow points from the right side of the left box to the left side of the right box.

doris::MemPool::allocate
