

```
doris::vectorized::  
AggregateFunctionBitmapUnion  
    Op::add_batch
```

```
graph LR; A["doris::vectorized::  
AggregateFunctionBitmapUnion  
    Op::add_batch"] --> B["fastunion"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains three lines of text: 'doris::vectorized::', 'AggregateFunctionBitmapUnion', and 'Op::add_batch'. The right box is gray with a black border and contains the text 'fastunion'.
