

```
doris::BufferControlBlock  
::get_batch
```

```
graph LR; A["doris::BufferControlBlock  
::get_batch"] --> B["on_close"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'doris::BufferControlBlock' on the top line and '::get_batch' on the bottom line. The right box is gray with a black border and contains the text 'on_close'.

on_close
