

doris::MemTable::insert

```
graph LR; A[doris::MemTable::insert] --> B[copy_block]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'doris::MemTable::insert'. The right box is gray with a black border and contains the text 'copy_block'. A blue arrow points from the right side of the left box to the left side of the right box.
