The diagram illustrates a mapping or dependency. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'doris::vectorized::ToNumberMonotonicity::get'. The bottom box contains the text 'get_maximum_size_of_value_in_memory'. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. This gray box contains the text 'get_size_of_value_in_memory'.
