

convert_to_full_column
_if_const

```
graph LR; A[convert_to_full_column_if_const] --> B[convert_to_full_column]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a gray color and contains the text 'convert_to_full_column' followed by '_if_const' on a new line. The right box is white with a black border and contains the text 'convert_to_full_column' on a single line. The blue arrow indicates a transformation or simplification of the function name.
